2023 SWEPSONVILLE QUEEN

QUESTIONS AND ANSWERS:

1. How long have you lived in Swepsonville?

ANS: We have lived in Swepsonville for 23 years. My husband and I fell in love with the old Poe place on Carolina Street and bought our home in Swepsonville on that same year.

2. What do you like most about Swepsonville?

ANS: We like the small-town atmosphere and location in Alamance County. We are centrally located and just at the perfect distance away from larger towns.

3. What would you like to change or improve in Swepsonville?

ANS: I would like to see the town maintained, the streets paved and the potholes filled in. One example is the intersection of Main Street and Carolina Street. There are big and hazardous drop-offs by the stop sign which need to be filled in. I also would like the town to consider using modern technology to alert the firemen of an emergency and replace the conventional fire-horn.
