2025 SWEPSONVILLE QUEEN

QUESTIONS AND ANSWERS:

1. How long have you lived in Swepsonville?

ANS: I have lived in Swepsonville since 1995 (29 years).

2. What do you like most about Swepsonville?

ANS: While a college student at Elon and student teacher at Alexander Wilson Elementary, I met my husband who was a firefighter with the Swepsonville Fire Department. We eventually got married and I knew he was not moving to Northern Virginia. I love the rural setting nestled between larger cities and all of their amenities. This community has been a great environment to raise my children and family.

3. What would you like to change or improve in Swepsonville?

ANS: I think Swepsonville could expand its boundaries as a town to retain the characteristics of a small community.
